## The Big Horn Show Returns!

Last week the Governor's office announced that the restrictions on large events and gatherings would be expiring March 1, 2022. That means we will be able to host the 60th Big Horn Show at the fairgrounds with no vaccine/testing mandates and no attendance caps (at this writing the masking mandate is still in place, however). They say third time's a charm! We have lots of fun events planned for our 60th celebration, but to pull it all together we will need your help. Visit page 3 to see what volunteer opportunities are available.

New sponsors are bringing new attractions, and some familiar faces have stayed by our side:

**Mack's Lures** - Will be hosting our second seminar stage featuring Mack's pro seminars alongside local experts.

**Ziggy's** - Our ticket outlet sponsor will have presale tickets available.

This is just a brief overview of all the new features, but we also have a few surprises waiting for you at the show! Bring a friend and volunteer to earn a free admission ticket!

## March 2022 Meeting Agenda

### Presenter - Michael Ritter

Michael will be discussing solar power in relation to shrubsteppe habitat. This is a chance to learn about the benefits, concerns, and alternatives to solar in our region. Through efforts like these we can work to find the best solutions that have the smallest impact on our valued shrubsteppe habitat, while protecting the wildlife that calls these areas home (sharp-tailed grouse, mule deer, pygmy rabbits, ferruginous hawks, and so many more!)
