Waiver: I am signing this document and have a disabled hunter endorsement with the Washington State Department of Fish & Wildlife. Manulife Investment Management, the Washington Department of Fish & Wildlife and the Inland Northwest Wildlife Council make no warranties as to the suitability of the property to be utilized and no liabilities can be assumed because of such unsuitability. Access to these areas is a PRIVILEGE and its success for future use and other openings are based upon self-enforcement. Keep vehicle on the route(s) provided. If you see another hunter transporting more than one person in their vehicle, please contact the INWC with the vehicle information and we will contact the appropriate authorities. By signing this agreement, you agree that you will be a responsible and ethical sportsperson and will show respect for the habitat and wildlife. Motorized access to these areas is designated for you and your hunting companion only and will not be used for transportation of other hunters. All other hunters must walk in. Failure to comply with this agreement may result in the revocation of your disabled hunter's permit.
