Big Horn

2023 is already steaming ahead. It's the time of year that all of us around the INWC plan for a mark on our calendars. Preparations for the 2023 Big Horn Outdoor Adventure Show are well underway. For those that missed the February General Membership meeting on February 7th, committee chairs are always looking for volunteers. As winter winds down and we look ahead to warmer weather, we start looking at how we as an organization can get back to some of our favorite projects. The Big Horn Show and any of our many other projects are a perfect way to introduce friends and family to our wonderful organization.

Some changes for the Board are 2 new members. Rich Furry and Aaron Waseca were sworn in as new board members and have both already started taking on additional tasks. Aaron has taken over as our new Bylaws Committee Chair and is also developing our new HR Committee as a sub-section of the Bylaws committee. We want to make sure that our employees have resources to turn to for questions or concerns. Rich, already having been very involved with Ken McNaughton with the Disabled Access Committee projects has agreed to start working with Mike Curry to start learning the Building and Maintenance Committee tasks. Another change is the Ken McNaughton has agreed to take over the History Committee. Ken came to me and asked if he could step into that role. Ken has a strong knowledge of where we have grown from as an organization. And in order to stay true to our Bylaws, I am taking over as chair for the Legislative Committee. With my duties as Chair for the WDFW ADA Advisory Committee, and in talking with our Executive Director Marie, we felt I would fit well with that role.

Remember that we do live where the weather never makes up its mind. So, while we all want to be able to get out and enjoy the awesome Inland Northwest, be aware of icy conditions while driving, trying to get one last ice fishing trip in, or just stepping out on your porch.

I look forward to seeing you at the 2023 Big Horn Show.
